

CONSTRUCTION NOTICE:

Ringling Trail

Construction will begin soon on the Ringling Trail, a project to turn the outside lanes of Ringling Blvd. into protected bicycle lanes.

The project will connect the Legacy Trail to the Downtown Core. In February 2021, the Sarasota City Commission approved the design-build services contract for the Ringling Trail.

Project Length:

Ringling Boulevard from Lime Avenue to Pineapple Avenue.

Project Goals:

- ~ Create protected bicycle lanes.
- ~ Provide enhanced multi-modal opportunities.
- ~ Enhance safety for all users utilizing the Ringling Blvd. right-of-way.
- ~ Create a more visitor-friendly experience that translates to economic growth for local downtown businesses.
- ~ Add landscaping.
- ~ Adjust traffic signal timing to improve traffic management.
- ~ Extend the Legacy Trail network.

Design-Build Team:

Engineer: Burgess & Niple, Inc.

Contractor: Ajax Paving Industries of Florida, Inc.

Landscape Architect: David W. Johnston Associates, Inc.

Schedule:

Start Date: May 23, 2022

End Date: December 19, 2022

The schedule is tentative since the work is subject to weather or unforeseen site construction problems

Construction Work Hours:

6 am to 9 pm on Weekdays; 9 am to 9 pm on Weekends or Holidays.

Any nighttime work outside of these hours will be coordinated with neighboring property owners prior to.
