Examples of affected person's interests may include:

1. Negative traffic impact resulting from the proposed use with respect to surrounding uses;
2. Whether the physical appearance of the proposed use is compatible with the character of surrounding uses;

hearing, during the presentation of Applicant evidence or in rebuttal;

 - c. A summary of the facts to be presented by Applicant personally or by use of a witness or expert;
 - d. Copies of reports, studies, letters, documentary evidence and summaries of evidence to be used, if any; and, to the extent there is any change in the disclosure report or summary of evidence, the Applicant shall submit supplemental information no later than ten (10) days prior to the scheduled public hearing; and
 - e. The estimated amount of time the Applicant requires to make the presentation, including time for rebuttal and summation.
- iii. Copies of Reports and Summary of Evidence - The Secretary to the Board shall maintain copies of reports, studies, letter, documentary evidence and summaries of evidence on each quasi-judicial matter, which shall be available for public inspection and copying.
 - iv. Time Limits for Presentations - Based upon the time estimates disclosed in Request for Affected Person Status; the Applicant's Disclosures; the complexity of the subject of the quasi-judicial hearing; and the number of petitions to be scheduled for a particular Board meeting, the Board may establish time limits for the presentations, including rebuttal.

F. GENERAL CONSIDERATIONS

- 1. Failure to File Request for Affected Person Status or Applicant's Disclosure - In the event a person fails to file a timely or fully complete Request for Affected Person Status or should the Applicant fail to timely file a fully complete prior disclosure, including all of the documentary evidence or reports as required in paragraph E.2., a request may be made of the Board to waive the requirement. In determining whether to waive the requirement, the Board shall consider whether the granting of Party Status or allowing the Applicant to proceed without full prior disclosures will unduly delay the proceedings or substantially prejudice the position of the Applicant another Party. For example, if the only testimony will be that of the Party and no witnesses, expert witnesses or documentary evidence will be submitted, Party Status may be granted. Where the Party, or an Applicant who failed to make a fully complete disclosure, intends to call witnesses, expert witnesses, or submit documentary evidence not previously disclosed, the Board shall weigh the impact of the proposed evidence against the prejudice to the other Parties that may result. If

RULES OF PROCEDURE CITY OF SARASOTA

BOARD OF ADJUSTMENT

there is little or no prejudice resulting from the grant of Party Status or waiver of the pre-submittal requirements, the Board may grant Party Status or waive pre-submittal requirements. However, the Board may continue the quasi-judicial matter to a subsequent meeting in order to provide all Parties, and the Board, an opportunity to consider and review the evidence allowed by virtue of a waiver.

2. Qualifications of Expert Witnesses - Based upon a review of the qualifications of expert witnesses as presented for the record, the Board will determine what weight is to be given to the testimony of the experts. The Board shall not be required to make a specific ruling as to the witnesses' expertise.
3. Continuances - A continuance may be requested by an Applicant or a Party upon demonstrating that the continuance is necessary to provide rebuttal testimony or to provide time to review documentary evidence. The Board may continue the public hearing on its own initiative, upon finding that any testimony, documentary evidence, or other evidence presented at the quasi-judicial hearing justifies allowing time for additional research or review for the benefit of the Board to assist in an appropriate resolution of the matter being presented. At any time that the Board determines the scheduling or timing of the matter pending before the Board warrants a continuance to another date or time, the Board shall order such continuance.
4. All non-parties who wish to testify shall complete a "Request to Speak" form and deliver it to the Secretary of the Board.

G. ORDER OF PRESENTATION

1. Opening of Public Hearing
